

Mrs. Glenn Whisler, R.5, Wins Electric Range At Littlestown Cooking School Tuesday Night

Mrs. Glenn Whisler, R. 5, was awarded the grand prize, an electric Kelvinator range, Tuesday evening at the final session of the Littlestown sessions of The Gettysburg Times Cooking School at which 650 persons were in attendance. This is the largest group to attend the Littlestown series since their beginning eight years ago.

Another highlight at Tuesday night's session, held in the Littlestown High School, was the fashion show presented by Tobey's, Gettysburg. Spring and summer fashions were shown by Miss Isabelle Schlosser, Gettysburg, who modeled a black and white silk dress with a black bolero jacket and a white nylon jersey lingerie set applied with violets.

Mrs. John Quick, Gettysburg, modeled a yellow pique summer frock, fashioned with a short coat, and a pink and white nylon full-skirted dress with a white stole and white summer accessories.

Miss Anne Eckert, daughter of Mr. and Mrs. Mark A. Eckert, Springs Ave., wore a pink and white cotton and silk summer dress. She also modeled a pink pique four-piece play suit.

Other fashions

For a summer dance was a pale blue lace and net waist-length evening gown worn by Miss Anna Mae Bigham, Gettysburg R. 2. For summer afternoons Mrs. Quick showed a peach and green cotton frock over which she wore a small white linen jacket.

Miss Mary Lou Shriver, R. 1, chose for an informal summer date, a rose-colored full-skirted cotton dress with a sleeveless bodice, topped with a small matching jacket. Miss Shriver also modeled a chic white linen suit with which she wore a black sleeveless blouse and black and white accessories.

Carl A. Baum of The Gettysburg Times thanked Mrs. Shirley Dessen of Tobey's for her cooperation with the Fashion Show. Music was played as the models walked across the stage and through the aisles of the auditorium.

Describes Appliances

Miss Madeline D. Linehan, home economist from Ipswich, Mass., who is conducting the cooking schools, introduced Howard S. Fox Jr., of the Metropolitan Edison Company, who described the electric hot water heater, clothes washer and dryer displayed on stage. He told the women "now you can go downtown to shop or take a nap, and your wash will be finished by the 'three men,' the heater, the washer and the dryer."

First on the cooking school menu was a dish called "krautfurter roll-ups" which Miss Linehan skillfully prepared by combining sauerkraut, chopped onions, and brown sugar. She cooked the mixture for 20 minutes and placed it in split frankfurters. She wrapped the latter in small rectangles of pastry, brushed the dough with milk and placed the "franks" on a greased cookie dish. Baking time was about 15 minutes. "You can serve this dish plain or with hot tomato sauce," said the home economist.

ADOPT PROJECT AS HOSPITAL FUND BENEFIT

The weekly meeting of the Gettysburg Kiwanis Club was held Tuesday evening at the Shetter House, with President Ernest Krape, presiding.

The club decided to sponsor a campaign in connection with the Bureau of Highway Safety. They will sell license frames with the slogan "Slow Down and Live." The proceeds from these sales will be allocated to the Hospital Building Fund.

A ball gum machine project is also being sponsored with David McDannell as chairman. The proceeds from this will be earmarked for the Underprivileged Child Fund.

A contribution of \$10 was made to an Inter-Club Group acting on Juvenile Delinquency in Gettysburg.

Larkin H. Jones, international field representative made a routine visit to the Gettysburg Club, and lauded the club on its progress since his last visit in January. Lieut. Gov. Dr. Raymond W. Mowery, of Chambersburg, also made an official visit. Harry Koenig, of Hanover, and Paul Gelwick, of Chambersburg, were also visitors.

Dr. William K. Sundermeyer, head of the German department at the Gettysburg College, was the guest speaker. He was introduced by the secretary, Clyde H. Markie. His subject was "Germany Today." He gave a comparison of schools, churches and politics in Germany and America.

Harry W. Redding, McKnightstown, was appointed representative to the international convention to be held in Cleveland June 28 to 30.

FOUNDATION OF HANOVER GIVES \$1000 TO DRIVE

A contribution of \$1,000 from the Lawrence Sheppard Foundation, Hanover, to the Warner Hospital building fund was announced today by Walter B. Dillon, administrator of the hospital.

"We deeply appreciate this expression of interest in the development of Adams County's hospital by Mr. Sheppard and are confident that our feeling is shared by everyone in the county," Dillon said in announcing the gift.

The participation of the Sheppard foundation in the Warner Hospital's building program recalls the long interest of the Sheppard and the Myers family in the Hanover hospital. Recently, the Sheppard and the Myers foundations gave the Hanover hospital \$500,000 which climaxed many other gifts to that institution over the years.

The \$1,000 contribution from the Sheppard foundation was included in further donations of \$3,456.76 which brings the total contributions to the local \$250,000 building fund to \$44,776.26.

The Private Duty Nurses Association voted a \$200 donation to the building fund.

OPERATION OF ELECTRIC CO-OP TOLD TO CLUB

Donald Smith, field engineer for the Adams County Electric Co-operative, gave members of the Exchange Club some insight into the workings of a "co-op" at the club's weekly meeting, Tuesday evening at Banker's restaurant.

"When our Adams County Electric co-op was organized in 1940," he said, "only ten per cent of our rural homes had electrical current. Now the figure is between 94 and 95 per cent. In fact, anyone who is willing to pay the \$5 membership fee can have electrification." He explained that there are over 1,000 such co-ops in the United States, with over four million members and 1,300,000 miles of wire.

"Co-ops are a part of the American way of life," he said. "They are formed for the same reason that independent retailers join associations and that railroads work together to build bridges, to get something you can't get by yourself. It is the same reason why you help the fire company, instead of forming your own fire company."

Not Satisfied

"A lot of people think that we're government-owned or subsidized," he said. "Actually, all the money which we get from the REA is paid back, with interest."

Smith said that rural electrification (Continued On Page 3)

SELLS PLOT AT PURCHASE PRICE

Land adjoining the Eisenhower farm reported Tuesday to have been purchased by the Adams Realty Co. has been sold to Arthur S. Nevins, Gettysburg R. D., according to a deed filed with the county register and recorder this afternoon.

The price paid by General Nevins for the 22-acre plot was listed as \$15,000, the same amount paid Monday by the realty company to the 29 heirs of the Flaherty estate for the farm land lying along W. Confederate Ave. and the Water Works Rd.

Attorney Franklin R. Bigham is listed as the president of Adams Realty Co. and Richard A. Brown as secretary.

General Nevins is a friend of President and Mrs. Eisenhower and came to Gettysburg as manager of the Eisenhower farm shortly after his retirement from the arm.

Many Write-In Ballots As Countians Nominate About 600 Candidates On Tuesday

Adams Countians nominated approximately 600 candidates for political offices in boroughs and townships Tuesday and wrote in hundreds of names while making their choices. As examples, at East Berlin the Democrats wrote in 30 different names for four council posts. In Mt. Joy Twp. Republicans listed 16 names for two school board positions.

Occasionally the voters tied up their choices, with numerous written in candidates getting two or three votes apiece, and the final results will not be decided until the ties are drawn off at a later date.

And they scored some upsets. One of the most unusual results was the defeat of the incumbent justice of the peace, Gerald Orndorff, in Oxford Twp., who was also the only man named on the ballot.

Mr. Orndorff, a justice in Oxford Twp. for many years, was on the Democratic ballot for another six-year term as justice of the peace. There were no names listed on the Republican ballot. Harmon Dell, who apparently ran a sticker campaign, unseated Justice Orndorff on the Democratic ticket, 31 to 24 and at the same time sewed up the Republican nomination by securing four Republican votes. Dell was the only person listed as receiving votes for the Republican nomination.

The results in the various townships and boroughs follow:

Abbottstown
Democratic: Auditor, Naomi Mackley, 16; Naomi Mackley, 1; school director, (two), J. Faber Wildasin, 57; Gerald Myers, 56; Norman Moul, R. E. Hoke and Richard Hoke, each one; councilmen (four), Gilbert Zeigler, 60; O. (Continued On Page 7)

E. B. BULLEIT, MRS. NICHOLS ARE NOMINATED

Gettysburg may have another woman on its board of school directors next December when directors to be named at the general election in November take over.

Attorney Edward B. Bulleit was nominated for re-election and unofficial results indicate that out of the deluge of 80 write-ins for the three other nominations Mrs. M. Hardy Nichols, Buford Ave., won a Republican and a Democratic nomination for school director. Her name appeared on the ballots in a number of forms but most often as Mrs. Dorothy Nichols.

The second Democratic nomination appears to be locked in a tie between Mr. Bulleit and Carl Martz at seven votes each.

Only 1 Name On Ballot

Mr. Bulleit's name was the only candidate for school board on the Republican ballot and no name appeared on the Democratic ballot. Republicans wrote in a total of 48 names for the second GOP nomination, captured by Mrs. Nichols with at least 44 votes, and Democrats wrote in a total of 32 names.

Bulleit received 802 votes for the Republican nomination to succeed himself. The other retiring director, LeRoy E. Smith, was not a candidate although his name was (Continued On Page 3)

SAYS REVIVAL NOT GENUINE

LOS ANGELES (AP)—"The so-called revival sweeping America isn't genuine or permanent," Presbyterians were told last night. "Most people seem to want God as you want a hot water bottle in the night—to get you over a temporary discomfort."

Dr. Charles B. Templeton, of New York, secretary of the Division of Evangelism of the Presbyterian Church in the U.S.A., said at a rally preceding the church's 167th general assembly:

"Membership in the churches is increasing more rapidly than the nation's population and is at an all-time high. However, there is also an increase in the national debt, national taxes and national crime."

"Oddly enough, though there is a statistical increase in religious interest, there is also an increase in the number of criminals and the seriousness of their offenses. The statistical columns reveal a nation increasingly Christian. The news columns reveal a nation increasingly pagan."

"Any genuine revival of religion will have to go beyond a mere concern to have God as a convenience and come to the point of dedication to Him and to His world."

Dr. Templeton addressed an estimated 3,000 persons at an evangelistic rally of a two-day pre-assembly conference. The general assembly itself opens tomorrow and continues through next Wednesday.

293 Are Enrolled For Swim Classes

Nearly 300 boys and girls from many parts of Adams County already have enrolled for the water safety classes to be offered by the county Red Cross chapter, beginning June 6. Mrs. Raymond P. Hill, executive secretary, said there is every indication that enrollment in the swimming classes to be conducted for six weeks, beginning June 6, will exceed that of last year. The current total is 293.

Signed consent slips must be provided by parents before pupils can be enrolled in the classes to be held at the Gettysburg Country Club, the Battlefield and Crouse's pools.

Miss Melinda Houser has been added as an instructor in life saving at the Country Club pool and Stanley Weikert is an additional teacher for the classes at Crouse's pool, Mrs. Hill said.

Dry Forces Win Dillsburg Victory

Dry forces won two special referenda at Dillsburg Tuesday, blocking beer and liquor sales in the northern York County borough by a resounding vote of close to four to one.

Church bells pealed the news of the dry's victory at 10 o'clock after the quickly completed count showed a 441 to 161 decision against beer sales and 445 to 156 against a similar proposal on hard liquor.

The bells were rung at intervals throughout the day to remind supporters of united church forces to vote. The opposition was waged by the Dillsburg Ministerial Association, United Youth Fellowship, Dillsburg WCTU and the Citizens' Committee to Keep Dillsburg Dry. About 80 per cent of the borough's registered voters took part in the election, an evidence of high interest.

FOUR JETS FLY 4,840 MILES IN TWELVE HOURS

By JOHN RANDOLPH
NEW CASTLE, Australia (AP)—Four U. S. Thunderjets landed here today, completing a record nonstop Tokyo-to-Australia flight in 12 hours 2 minutes.

The speedy single-engine fighters each capable of carrying an atomic bomb, refueled in the air three times during their 4,840-mile hop — over Guam, Manus Island and Townsville, Australia.

The flight, part of a U. S. Air Force good will mission to Australia, extended the nonstop over-water record for single-engine jets by 355 miles. Col. David Shilling set the previous mark of 4,485 miles in 1953 on a flight from Turner Air Force Base, Ga., to North Africa.

The F84s set down at the Royal Australian Air Force Base here at 5:32 p.m. Australian time. Newcastle is 60 miles north of Sydney, on Australia's southeast coast.

The flight had left Yokota Air base, near Tokyo, in balmy spring weather, but landed here in the Southern Hemisphere's May autumn.

Colonel Leads Flight

The flight was led by Col. Harold M. McClelland, Avon Park, Fla. He was the first man to land. The other three pilots, in order of landing, were 1st Lt. Gerald J. Robinson, Carbondale, Pa.; Lt. Col. Virgil K. Moroney, Pine Bluff, Ark.; and 1st Lt. William E. Miller, Columbus Ohio.

Lt. Gen. Roger M. Ramey, commander of the 5th U. S. Air Force in Japan, said the flight "shows the U. S. Air Force's capability to move its jet fighters both for concentration and attack."

There were originally six planes including two alternates in case of trouble, when the flight left Yokota. One, piloted by 1st Lt. Wilford R. Ladd, Georgetown, Ky., put back after it developed fuel trouble about 100 miles out.

Ladd parachuted safely from his plane before it crashed near Nagoya, Japan. Japan's Kyodo news service said he was hospitalized by Japanese authorities although he was not seriously hurt.

A Thunderjet piloted by 1st Lt. Ted K. Case, Safford, Ariz., flew on to Guam with the team. Case dropped out there when his plane developed radio difficulties.

McClelland and his companions said they had no troubles of any kind and only a little bad weather on the flight. They estimated they could have gone another six hours — at least 2,000 miles — if necessary.

Woman Admits She Poisoned 5th Mate

TULSA, Okla. (AP)—After pleading guilty yesterday to poisoning husband No. 5, Grandma Nannie Doss admitted her daughter not to worry because "I'm not worried."

The surprise plea, entered in District Court after the confessed poisoner of four husbands was visited by the daughter, reversed her earlier plea of innocent.

The daughter, Mrs. Melvina Hedrick, born of Mrs. Doss' first marriage to Charley Bragg, told a newsman her visit from Lexington, N.C., had nothing to do with her mother's sudden decision to tell the court she was guilty of killing Samuel Doss, 59, with rat poison.

Mrs. Doss, who had been scheduled for trial next month for Doss' death last Oct. 10, faces either life in prison or death.

BOXER DENIES
ANY INTEREST
BY PETE MORAN

PHILADELPHIA (AP)—Boxer Harold Johnson, participant in a nationally televised fight May 6 which the Pennsylvania Athletic Commission charged was a "fake," testified today he has only one manager, Tommy Loughrey, and that Philadelphia matchmaker Pete Moran has no financial interest in him.

The commission is investigating the Johnson-Julio Mederos fight after which doctors said the 26-year-old Philadelphia Negro had been drugged with a barbiturate causing his collapse at the end of the second round.

It was the second day of the hearings which began Monday.

The drugging caused Pennsylvania's Gov. George Leader to order a 90-day suspension of all professional boxing in the state pending a commission probe into all facets of the game.

Johnson told the three commission members—Chairman James H. Crowley, Alfred M. Klein and Paul Sullivan—that Loughrey got one-third of his purse, and that he gets two-thirds of the balance after all expenses are paid.

The commission has charged that Moran has a financial interest in Johnson, which is a violation of its regulations.

Moran is matchmaker for Herman Taylor who promoted the May 6 show at the Arena.

Earl W. Guise, of Strasburg, had no opposition for the Democratic nomination for associate judge. Herbert W. Miller, Menallen Twp., had no opposition for the Democratic nomination for prothonotary and the same party gave R. L. Pittenturf, York Springs, the nomination for register and recorder.

Armor M. Weikert, Gettysburg, received one nomination for county auditor from the Democrats while Republicans nominated Henry M. Hersh, New Oxford, for re-election. The second nominee in neither party was determined in the unofficial count. Neither had opposition on the ballot.

There were scattered write-ins on both tickets for candidates for county surveyor but the names appeared in various forms and the official count will have to determine who was nominated. The names of P. S. Orner, Arendtsville, and Lester H. Winebrenner appeared most frequently.

Records at the court house today showed only 7,747 votes were cast Tuesday in the county—42.8 percent of the 18,073 eligible registered voters.

Although the vote was light, the ballots were long and write-ins slowed the work of the election boards. The first returns reached the court house at 11:22 p.m. when the second district of Mt. Pleasant Twp., where only 70 votes were cast, reported. The Mt. Pleasant No. 1 board arrived a short time later with its report on the 38 votes cast there. Highland came in third with its 50 votes.

The lightest vote Tuesday was in the second district of Hamilton Twp. where only 23 votes were cast. Nine districts were in by midnight and reports were completed at 3:30 a.m. when the Second Ward of Gettysburg arrived.

Registration of voters re-opens at the court house next Monday and will continue until October 3.

Today's Talk

TOOLS AND THINGS

Time and again I go into a hardware store just to "browse" around, as I do in a bookshop. It's inspiring to note how many minds have been at work, searching out for some tool to make work easier or to do it more efficiently.

There is a store in my town that carries hundreds of gadgets, and a big window displays them before those who pass on the street. There are always many faces looking in to that window, mine among them, and I wonder if others are thinking of the thoughts that are mine as we stand there silently gazing?

I have often visited a museum in Nova Scotia where have been gathered many of the early tools and household equipment of the Acadians. As I have looked upon these crude tools I have wondered what those people would think and do in a modern hardware store? There are things in a well-equipped hardware store of today that were not even dreamed about in my youth! And a few years from now these present stores will look out of date!

For years I played the delightful game of golf. I loved the exercise, the challenge to my skill (and temper) and kept trying to learn the correct way to play the game. The clubs are different, and greatly improved today, but what gave me a laugh this winter in Florida was to see the golfers riding from hole to hole in what looked like miniature jeeps! Maybe the next step will be to press a button on the club and the golfer will get his dream — a perfect landing on the green!

Well, I love tools and things, anyway, but to serve some useful end. I have a carpenter shop on my Nova Scotia island retreat that gives me a world of joy the few weeks I spend there in the summer. I am always searching for some tool or gadget that may come in handy some day. When you live on an island you can't just walk across the street and get what you want, so you have to keep a flock of tools near. There's something beautiful to a useful tool!

Tomorrow Mr. Adams will talk on the subject: "Color, Color, Color!"

WIFE DECISION
One day at Bad Axe, Michigan, when rivalry was high, To see a final baseball game went Billy Phelps and I. We bought two sacks of peanuts, and we settled in the stand And discovered for some reason that no umpire was on hand.

The managers came pleading, since the hour was getting late, For me to judge the bases and Billy Phelps the plate. Bill whispered: "Let us do it," but I slowly shook my head. "It were better not to umpire. These are friends of ours," I said.

Uneventful were the innings 'til the ninth and closing play, When the citizen who umpired really gave the game away. He allowed the winning single on what plainly was a foul, And had Billy been the umpire there'd have been a fearful howl.

Had we listened to their pleadings, no one now could count the cost Or how many friends at Bad Axe and at Uby we'd have lost. "Thief and robber," they'd have shouted. Since so much on it depends, It is wiser not to umpire if you want to keep your friends.

MOST SITTING JUDGES WERE RENOMINATED

HARRISBURG (AP) — Voters of Pennsylvania upheld the sitting judge principle generally in the primary election but returns show today some judges running on both Republican and Democratic tickets lost out on one ticket.

Judge H. Clifton McWilliams, appointed by former Republican Gov. John S. Fine to the Cambria County Common Pleas Court, won the GOP nomination but was defeated on the Democratic side by Alton A. McDonald.

Judge William Theodore Corbett won the Republican nomination for Judge of the Allegheny County Court but lost out to James M. Guffey for the Democratic nomination.

Judge Burton R. Laub won Democratic nomination to the Erie County Common Pleas Court but failed to receive Republican support.

Judge Samuel Y. Rossiter and J. S. Julianne Sr. defeated Laub and Dist. Atty. Damian McLaughlin on the Republican ticket. However, Rossiter and Laub defeated Julianne, McLaughlin and Gerald A. McNellis on the Democratic side.

Judge Garber Wins
In Cumberland County, Judge Mark E. Garber, a Fine appointee who failed to receive regular Republican organization backing defeated the slated candidate William R. Mark, by a 2-1 vote.

In Fayette County, Sen. Eustace H. Bane held a strong lead in the fight for Democratic nomination for Common Pleas Court judge. Returns from 106 of the county's 123 precincts gave Bane 10,919 votes against 8,691 for Anthony Cavalcante, his nearest opponent. Cavalcante is a former congressman and one-time state senator.

Some 41 candidates for judgeships were given one, and in some cases, both party nominations without contest.

Of this group, 14 were assured the posts in the November election either by virtue of no opposition or by endorsement of both parties.

A total of 53 posts, including 12 associate judgeships, were on the ballots.

Only three incumbent Common Pleas judges and four associate judges did not run for another term.

Common Pleas judges who will retire to private life at expiration of their present terms are: E. E. Creps, Indiana County; W. Walter Braham, Lawrence County; and Edward B. Farr, Sullivan and Wyoming counties.

Associate judges who did not seek nomination are: Lyle G. Hall, Elk County; Orban L. Herner, Fulton County; Harrison M. Hanselman, Union County; and Charles W. Smith, Wyoming County.

Available returns showed judgeships nominations as follows: (X-incumbent). Philadelphia Municipal Court (2) —X-Keller H. Gilbert, Rep; X-Theodore P. Spaulding, Rep. Orphans Court Philadelphia —X-Charles Klein, Rep and Dem.

Allegheny —X-John Fremont Cox, Rep and Dem.

Russia Is Moving Army From Austria

VIENNA, Austria (AP) — Russia apparently is not going to wait for ratification of the Austrian state treaty to begin withdrawing its occupation troops. Austrian sources say Soviet commanders in several towns have notified police that their headquarters will be closed in a day or two.

A U.S. Army spokesman said yesterday that no orders have been received to move out American troops in advance of ratification. The pact does not actually go into effect until ratification has been completed in the United States, Britain, France, Russia and Austria.

The Austrian government already has taken its first step toward ratification. Chancellor Julius Raab's Cabinet approved the 38-article pact yesterday and agreed to send it on to Parliament immediately for action.

ORGANIZATION SLATE SWEEPS ALLEGHENY CO.

PITTSBURGH (P)—With possibly one exception, the Republican organization slate swept yesterday's primary election in Allegheny County.

There was no opposition for major office among the Democrats. Dist. Atty. James Malone, seeking re-election, led almost the entire GOP slate to victory in a bid for his second four-year term.

Sen. James Duff (R-Pa.), who until a few months ago had been at odds with Malone, joined the organization several weeks ago in backing him.

With returns in from 1,008 of the county's 1,163 districts, Malone has 74,285 votes. His opponent, Atty. Alan Sherman, had 17,077.

The only candidate who could possibly upset the organization in the GOP primary was Dan W. Baker who apparently won the nomination for county treasurer. With 1,008 precincts reporting, Baker had 44,932 votes to 42,619 for George F. Pott.

Had Little Backing
Pott had the backing of Leonard Parsons, former county clerk of courts, and a group of Republicans opposed to the GOP county chairman, former Sheriff Thomas E. Whitten.

John Walker, former state senator seeking re-election to a four-year as county commissioner, had no trouble at all leading the field of five candidates for the two GOP nominations. He polled 62,058 votes.

The second GOP commissioner nomination went to his slated running mate, John M. Kane, who had 58,004 votes. Then came Merle Long with 16,959, Gerald L. Zimmerman with 8,743 and Carroll B. Dick with 10,384.

At the November elections, Malone will be opposed by Democrat Edward C. Boyle, who was

unopposed for the nomination. Boyle, a close personal friend of Democratic Mayor David Lawrence, is a former U. S. attorney for western Pennsylvania.

Had No Opposition
Walker and Kane will be opposed by Democrats John J. Kane (no relation to the Republican victor) and Harry Fowler. Neither Kane nor Fowler had opposition for the Democratic nominations.

Judge William T. Corbett led the Republican ticket for the Allegheny Court but fell far short in his bid for the Democratic nomination. He will be opposed in November by James M. Guffey, an assistant county solicitor, who won one of the Democratic nominations.

Judges Francis J. O'Connor and Lois Mary McBride, who were slated by both party organizations for county court, won the GOP and Democratic nominations—thus assuring their re-election in November.

Judge John Fremont was unopposed for nomination by both parties for Orphans Court. Judges Russell H. Adams and Samuel A. Weiss, likewise, were without opposition from either party as they were assured of election to the Common Pleas Court.

YANKS NOT TOO HOPEFUL OVER RUSSIAN TALKS

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (P)—The American government doesn't know what the Russians are up to. That point stands out clearly in Secretary of State Dulles' talk to the nation.

Lately the Communists have been mild and to a degree cooperative. They let Austria have independence. They have agreed to talks among the Big Four powers—the United States, Britain, France, Russia—at the highest level. Why?

Dulles doesn't know. He frankly expressed puzzlement by their motives in his broadcast last night from President Eisenhower's office. Although Eisenhower said a "new dawn may be coming," he and Dulles cautioned against expecting too much of the talks.

Not Much Enthusiasm
Dulles and Eisenhower, both of whom had been frigid for years to a top-level meeting with the Russians, will now both meet with them. Neither man has shown much enthusiasm for the idea. Britain and France persuaded Dulles to persuade Eisenhower to take part.

Dulles last night was very cautious about the meeting, perhaps because he doesn't know what the Russians have up their sleeve.

Since the Russians have them guessing, Eisenhower and Dulles will have to do their homework if they don't want to come out second best. Homework doesn't mean just remembering to stand pat on every single difference which has existed between Russia and the West for years.

May Be Phony
This whole Russian performance may be phony. There's a chance it isn't, that they really want peace and are willing to pay a price for it in the form of concessions they never would make before.

If they do back up a bit, the United States will have to be prepared to do the same if, by doing so, American safety and world peace are benefited. American rigidity might continue a cold war until it became hot.

But Dulles knows any American concessions by him or Eisenhower may bring down the wrath of some Republicans. Both men have vivid memories of Republican outcries for the past 10 years over concessions made by President Roosevelt at Yalta.

Yet, if the Russians yield but the United States yields nothing, this country endangers its alliances.

Dulles privately is reported to believe it will take many months, perhaps years, to work out agreements with the Soviet Union on great world issues.

THE HAGUE, Netherlands (P)—The first Dutch government crisis in nearly three years sent Queen Juliana searching today for a political leader to form a new cabinet.

Premier Willem Drees submitted his coalition Cabinet's resignation last night after losing a vote of confidence in Parliament's lower

STEVENSON IS "UNDECIDED" ABOUT RUNNING

WASHINGTON (P)—Sen. Monroney (D-Okla.) said today "It's too early to tell" whether Adlai E. Stevenson will seek the Democratic presidential nomination next year.

"I don't think Stevenson is afraid of running against Eisenhower," Monroney said. "But he wants to look around the country to see what the situation is. He wants to be sure that if he runs, he will have the backing of all of the Democrats and not be a sectional candidate."

This was an obvious reference to Stevenson's loss of Florida, Ten-

nessee, Texas and Virginia to President Eisenhower in 1952.

Likes Tammany Support
Stevenson said in New York yesterday that "if it were my ambition to seek the Democratic presidential nomination next year, I would welcome the support of Carmine DeSapio and Tammany Hall."

Questioned on his return from a trip to Africa, Stevenson said also he thought New York's Gov. Averell Harriman "would be splendid public official in any position."

DeSapio, Democratic national committeeman from New York as well as head of Tammany Hall, recently said any Democrat who wants the nomination should come out in the open and say so. DeSapio generally is credited with forcing Harriman for the nomination.

For himself, Stevenson told New York newsmen he hadn't made up his mind about running

BILLS FOR FREE POLIO VACCINE ARE PRESENTED

WASHINGTON (P)—Bills to carry out the Eisenhower administration's polio vaccination program for poor children have been dropped in the congressional hopper—one by a Republican and the other by a Democrat.

Early approval seemed assured as bipartisan support was voiced for the plan to put up 28 million dollars to make sure lack of money bars no child from getting the vaccine.

Government handling of the situation, again, and "I don't know whether I'm needed or wanted."

uation continued to draw criticism, however, Sen. Morse (D-Ore.) told the Senate yesterday he thinks Secretary of Welfare Hobby should be fired for "gross incompetency."

Morse contended Mrs. Hobby's role in handling the distribution and safety testing of the Salk vaccine showed "bad administration that comes close to immorality."

Sen. Bender (R-Ohio) rose to defend the secretary, saying she had shown herself to be "a great stateswoman and a fine leader."

Mrs. Hobby had opposed moves by many Democrats and some Republicans to provide rigid federal controls for vaccine distribution. A voluntary distribution system was one of the points in a report she presented Monday to President Eisenhower.

The report, quickly endorsed by the President, proposed free vaccinations for those in the 1-19 age group unable to pay for them.

13 Fire Companies

Are Called To Blaze

HARRISBURG — Fire that brought out all of the city's fire companies last night destroyed two frame buildings in the lumberyard of Earl Latscha in North Harrisburg.

Fire Chief Earl Swartz said at least 13 of the city's 16 companies answered a general alarm in time to prevent the fire from spreading through the warehouse district.

The blaze was brought under control at 10:50, some 35 minutes after the first alarm was sounded. Cause of the blaze was not immediately determined, Swartz said.

Latscha could not estimate the extent of the damage. A lumber truck was demolished when the roof of one of the structures caved in.

Although the Indians used corn in most forms before the coming of the white men, they did not produce corn flakes, says the National Geographic Society.

In the only other contest of interest, incumbent Coroner William R. Weyhenmeyer, a Republican, was renominated with organization backing over Lewis Williams.

STOCK BUYERS IGNORE SIGNS OF "UPSWING"

By SAM DAWSON

NEW YORK (AP)—The stock market sprang a slow leak three weeks ago.

Watching stock prices going soft, the public took to the sidelines. The professionals, however, had a wide variety of ready explanations and some are looking eagerly for signs of recovery and revival of public interest.

The stock market lost its zip at a time when most of the news continued to be bullish. Good earnings reports, increased dividends, new records in steel production, gains in industrial output generally, and a flood of optimistic

predictions of even better times ahead—all of these seemed suddenly to lose their glamor.

But it was the very same kind of news that earlier in the year was the unflinching excuse for bidding stock prices higher.

Why didn't the same good news work in the last three weeks?

Anticipate Future Business
Brokers point out that stock traders don't buy because of what business has done but because of what they think it's likely to do. Six months ago the bulls decided that first-quarter earnings were going to be good. The first of this year they guessed that second-quarter earnings should be good also. They anticipated the stock splits, mergers and increased dividends, and the general prosperity.

So stock prices were bid up high—so high in some cases that yields lost much of their attraction and bonds didn't look so dull.

Those who bought six months ago are now in position to sell and take their profits subject only

to long-term capital gain tax rates.

There is the added uncertainty as to what may come out of the labor-management talks in top industries this summer. There are even some who wonder just what business in general will be like in the fall.

None of this uncertainty and wondering, however, means that Wall Street is looking for a major break in stock prices. Most observers call the past three weeks a period of adjustment after the long rise in prices. Some even see it as preparing the ground for a further advance.

WIFE TO TAKE EXAMS

TTTUSVILLE, Pa. (AP)—The School Board has agreed to let 17-year-old Mrs. Nancy L'Huillier Sutton, expelled from school because of her marriage, earn her diploma. She'll be allowed to take final examinations, although not attending classes, and will get her diploma if she passes. Her parents have threatened to take court action to permit her to graduate.

ARMY BUILDING NIKE SITES TO ASSURE PEOPLE

WASHINGTON (AP)—The Army, embarked on a billion-dollar program of building Nike sites, is seeking to reassure communities nervous over close-by installation of the deadly antiaircraft missiles.

Partly for this purpose, the Army yesterday took newsmen to a new Nike site at Lorton, Va., part of the antiaircraft defenses of the capital, about 16 miles to the north.

And Brig. Gen. R. R. Hendrix, commander of the Washington-Baltimore Nike defense area, said

this "has touched off some knotty problems."

"As you may know," he said, "Army engineers have met with some strong resistance during the process of acquiring real estate for Nike sites. Some local communities have not been at all in sympathy with our program, particularly in land matters or in the stationing of troops in residential areas."

Hendrix contended a Nike site "is not dangerous, but as safe as a gas station; as important to security and as much a part of the local community as the police and fire departments."

(There was no mention at the news conference of an incident a month ago when a Nike missile at Ft. Meade, Md., was fired accidentally, falling onto a usually heavily traveled highway but without injury or damage to passers-by.)

More than 755,000 oil burners were sold for heating in the United States in 1954.

National Head Of 40-8 Tours 'Field

Earl Simpson, Tulsa Okla., National Chef de Chemin de Fer (40-8, playground organization of The American Legion) with three officers from the Pennsylvania Department, visited Gettysburg Tuesday afternoon. After lunch at the Plaza restaurant they were taken on a guided tour of the Battlefield by Dr. Fred Tilberg and then returned to Harrisburg to continue the official tour of Pennsylvania.

Accompanying Simpson was Harry M. Crum, grand chef de gare; Richard D. Ross, chef de train, and F. C. M. Sier, of Harrisburg, grand cheminot.

OPPOSE "SPY" RING

UNITED NATIONS, N.Y. (AP)—The U.N. Economic and Social Council has voted 7-3 for a world conference to set up machinery to track down men who skip out on their families and try to hide in other countries. The United States opposed it.

The principle of the abacus has been known for more than 3,000 years.

OIL OVER WATER

FREDONIA, Ky. — Two months ago this community launched a fund-raising campaign for a waterworks system. After raising almost \$2,000 workers began drilling for water. Yesterday the drill went down 265 feet and hit oil. Experts said the well may be one of the best producers in western Kentucky. The search for water is still on.

BIG FOUR TALKS URGED BEFORE CHOU SESSION

By JACK BELL

WASHINGTON — Sen. George (D-Ga.) said today any discussion with Red China's Premier Chou En-lai about relaxing tensions in the Far East should await a forthcoming top-level Big Four meeting.

George, chairman of the Senate Foreign Relations Committee, said he still favors a meeting with Chou despite conditions laid down by the Red Chinese leader early yesterday in renewing his offer to negotiate directly with the United States on Formosa.

Sen. H. Alexander Smith (R-N.J.), a Foreign Relations committee member, predicted, "There will not be any talks with Chou under the conditions he has laid down."

Sen. Mansfield (D-Mont.), another committee member, said in a separate interview he hopes this country will insist on the release of imprisoned American fliers and hit oil. Experts said the well may be one of the best producers in western Kentucky. The search for water is still on.

Chou has said the Communists would not sit down with representatives of the Chinese Nationalists and would not give up their claims to Formosa. He repeated his demand for a Red Chinese seat in the United Nations.

Despite this, George said he believes there might be profit in

talking with the Chinese Reds. He said in any such talks the United States would be mindful of the interests of the Chinese Nationalists.

"However," he said, "we should wait until after the Big Four summit conference to see what it produces before we try to negotiate with Chou."

George said discussion of world problems at the top level might shed more light on Russia's attitude toward a Far Eastern settlement.

Smith said he wasn't ruling out discussions with Chou about a possible cease-fire. But he said Chiang Kai-shek ought to be represented at any conference that affects the Nationalists' interests beyond the attainment of an agreement to stop the shooting in the Formosa Strait.

COMMY FENCERS ARE PUSHOVERS SAYS U.S. COACH

By ROBERT E. VOGES

EAST LANSING, Mich. — The Russians will be a pushover in fencing during the next Olympic Games. So says Giorgi Santelli of New York City, a long-time coach of U. S. Olympic fencing teams. "Russia just hasn't got the tradition and background to develop great fencers," says Santelli. "You can't have any five-year program

to develop fencing masters." Santelli believes the United States will rank second in the Olympics, behind Hungary.

"Although it is Communist-dominated, Hungary, with its hundreds of years of fencing, still is the No. 1 threat in the Olympics," he says.

Santelli, who visited East Lansing for the NCAA championships, says at one time Russia imported Hungarian fencing masters, hoping to produce fencers behind the Iron Curtain.

"But they sent them back after a few years," he says. "Nobody can teach the Russians. They just hack away in their own primitive style."

Santelli says the growth of fence-

ing in the United States has been remarkable.

"Fifteen years ago," he continues, "there was hardly any fencing in the Midwest. It was all in the east. Now the Midwest is producing some real good swordsmen."

Santelli predicted that in another 10 years America would have the best school of fencers in the world. As for the Russians — "they compare with our junior fencers."

SENIORS TOOK ACTIVE PART IN SCHOOL AFFAIRS

The Seniors of Biglerville High School have had many opportunities to participate in extra-class activities and many of the 70 members have taken advantage of the opportunities.

Bill Birgensmith, Dave Slaybaugh, Bill Sheaffer, Donald Himes and Paul Little have made names for themselves on the gridiron this past fall. They will be greatly missed when next football season rolls around.

In wrestling, Bill Sheaffer, Donald Himes and Bill Birgensmith were leading grapplers. Of seven matches, Bill Sheaffer, the high scorer, captured four.

Girls Won Trophy

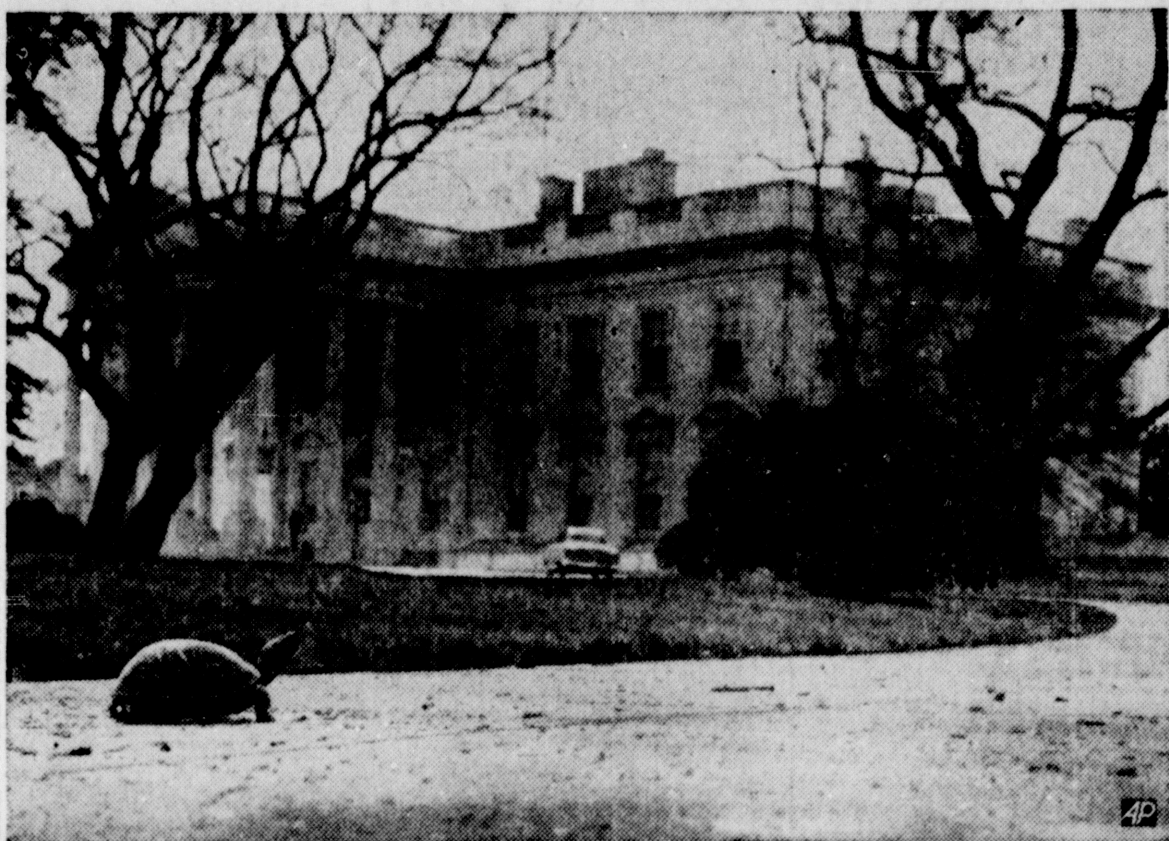

During basketball season with Nevin Frantz, John Day and Frank Cline as leading scorers, Nevin was selected for the All-Star team. The girls' basketball team struck a streak of luck and received a county championship trophy. Joan Geiselman, Jean Gulse, Shirley Peters, Kay Sheats, Betty Ziegler, and Shelvey Lady were members of the varsity squad. Ten players also received gold basketballs for their outstanding work. Melinda Hauser, the peppy cheerleader, kept boosting the team toward their aim, the "trophy."

Fred Finck, John Day, Frank Cline, and Richard Beamer constitute a vital part of the "Diamond Nine," which is having a very successful baseball season.

Helped Raise Funds

"Cindermen" Bill Sheaffer, Dave Slaybaugh, Fred Finck, Nevin Frantz, Mac Albright, and Donald Himes are swift fellows, always ready, willing, and able to go.

The Seniors undertook numerous projects this year for the purpose of raising funds to finance the annual Senior trip. Some of those activities were: Selling jackets, writing paper, name labels, and candy. Popcorn and soft drinks were sold at the South Mountain Fair and throughout the football

and basketball season. They also held a roller-skating party and two successful food sales.

Many students have participated in various activities throughout this year. There are 36 students in the B-club; nine people in the National Thespians Society. Ten members were recently elected to the National Honor Society. The a cappella choir is composed of 23 Senior vocalists in addition to the other students. In the religious realm, the Tri-Hi-Y people have greatly outnumbered the Hi-Y.

There were 23 students who participated in Senior Band. From this, a dance band was organized. They named themselves the "Sportsters," and there are five Senior members included.

Won Many Honors

Kay Sheats was chosen to go to District orchestra and was later selected for State orchestra. Kay Murtio went to the District band and then was selected for State band. From the choir, Frank

Cline, Nancy Cline, and Janet Ehman represented Biglerville at District chorus and 12 choir members went to the Adams County Chorus.

Other activities in which the Seniors participated were: F.F.A., F.H.A., Red Cross Council, The Tribunal, Student Council, B-Hi Times, Trio, Quartette, Octette, softball and the annual spring musical.

The busy Seniors took their senior trip to New York, May 9, 10, and 11.

The group made plans for the annual May Day celebration held May 13 in the gymnasium with Kay Sheats reigning as queen. Later, Mildred Gulse, Evadne Fohl, and Doris Bere served as guides for the tour given for the parents.

The annual death rate in the United States dropped from 17.2 per thousand persons in 1900 to 9.6 per thousand in 1950.

Want to keep cabbage green when you are cooking it? Steam the shredded vegetable in only enough water to keep it from sticking; there should be practically no liquid left in the pan by the time it is tender-crisp. Cover the saucepan while you are cooking the cabbage, but lift the cover several times; this uncovering the pan will help retain the green color.

Quarter a pound of pitted dates and put in a saucepan with a cup of water and three-quarters cup of sugar. Cook slowly, stirring often, about 15 minutes or until mixture is thick enough to spread. Use as a filling for rolled oatmeal cookies. Delicious old-fashioned flavor!

Blend unsweetened grapefruit juice with apricot nectar and chill overnight. Nice as a breakfast starter!

About 95 per cent of the world's supply of diamonds comes from Africa.

CUB SCOUTERS PLAN AWARDS

The Littlestown Cub Scouts awards ceremony and picnic will be held on Sunday afternoon, and final arrangements for the affair were made at a meeting of the Cub officials and den mothers held on Monday evening at the American Legion Home.

The awards ceremony and family picnic will be held at the Littlestown Fish and Game Farm and will begin on Sunday at 2:30 p.m. All Cubs are urged to be present with at least one parent to make eligible for another segment of their Haines Safari Emblem. The Cubs are requested to wear their uniforms on Sunday. Refreshments will be served by the Pack. In case of rain, the affair will be held on Monday evening, May 23.

As has been the custom in previous years, the Cub Scouts will participate in the community Memorial Day parade on Saturday, May 28, at 6 p.m. All boys having uniforms are asked to wear them. The Cubs will meet at 5:45 p.m. at the high school grounds on Maple Ave. on May 28.

In order not to conflict with the Daily Vacation Bible School being held in the community in June, the two weeks of swimming instructions, under the sponsorship of the Red Cross, has been changed to July 11 to July 22 inclusive at

10 a.m. each day. Instructions will be given at Crouse's Pool, near town. In order to participate in the swimming program, it is necessary that each boy secure an application card from his den mother. Parents should sign the application and the cards should be returned to the den mothers by June 15, or the Cubs will not be allowed to participate in the program.

Further plans were discussed for the Cubs' participation in the Haines Safari on Friday, June 10, being held near Hallam. All boys are requested to meet in the rear of the E. King St. school building no later than 10:45 a.m. on that date, when transportation will be provided. Uniforms should be worn on this occasion. The Pack will have various articles on display which they have made during the year. The Cubs will have a demonstration in their booth with each den being allotted one half hour to perform their portion, with the following schedule: Den One, 1 to 1:30 p.m.; Den Two, 1:30 to 2 p.m.; Den Three, 2 to 2:30 p.m.; Den Four, 2:30 to 3 p.m.; Den Five, 3 to 3:30 p.m.; Den Six, 3:30 to 4 p.m.; Den Seven, 4 to 4:30 p.m. Each den will also provide a placard about eight by ten inches on which the number of their den is shown, together with the name of the project at which the boys are working and this will be on display at the working table during the demonstration.

Young Folk Meet
Albert H. Miller III was junior

leader at the meeting of the Junior Fellowship of Centenary Methodist Church on Monday evening at the parsonage social room. Scripture passages were read by Joan Barton and Barbara Stambaugh. Barbe Miller offered prayer and was piano accompanist for group singing.

A group Bible study discussion concerning the 101st Psalm was led by Mrs. Albert H. Miller Jr., adult supervisor of the Fellowship. Devotional readings were given by Shirley Myers and Ronald Ruggles. There was a brief discussion on why we observe Mother's Day and Father's Day and a short history on the origin of these days was given. A vocal solo was sung

by Barbara Stambaugh, accompanied by Barbe Miller. There was a report on the program for the "Night of Music," presented on Sunday evening under the sponsorship of the Junior Fellowship. The musical was successful and thanks was extended to all those who helped in any way with the presentation. The program included several selections by the Junior Fellowship.

Next Monday evening at 6:45 p.m., members of the Fellowship will meet at the parsonage to go to Hanover, when a wiener roast will be held at the home of Mrs. Albert H. Miller Jr. Transportation to Hanover will be provided.

Dr. Roy W. Gifford, a member of the Warner Hospital staff, was guest speaker at the meeting of the Littlestown Rotary Club, on Tuesday evening at Schottle's Hotel. Dr. Gifford, who was introduced by Charles E. Ritter, chairman of the local fund drive for the Warner Hospital Building Program, spoke concerning the need for expansion at Adams County's hospital and the overcrowded conditions which exist there. The local quota for the fund drive is \$30,000.

Mr. Ritter, who is chairman of the classification and membership committee, which arranged the evening's program, introduced the following visiting Rotarians, in addition to Rotarian Gifford: Dr. Fred Shaffer and Fred Bowen, Gettysburg; the Rev. Dr. Nevin E. Smith, Clinton Nace, A. S. Sargeant and R. E. Swamm, Hanover.

A Memorial Day program will be presented at the Rotary meeting next Tuesday at 6:15 p.m. The program will be in charge of the International service committee, composed of Paul E. King, chairman, Dr. Howard A. Stonesifer, Clyde W. Crouse, Rev. David S. Kammerer, J. Ray Reindollar and Roy Knouse.

U.S. Prepares For Big Four Talks Hoping For Peace Pact

By JOHN M. HIGHTOWER
WASHINGTON (AP) — The Eisenhower administration is preparing for a top-level Big Four conference with Russia in a belief it may prove that a "new dawn" of peace is breaking over the world.

President Eisenhower and Secretary of State Dulles made that clear last night in assessing — before television cameras — the meaning of recent shifts in Soviet policy, including the signing Sunday of an Austrian independence treaty. By that pact Russia is pledged to withdraw its troops from Austria.

Dulles predicted dramatic results from this pledge throughout Eastern Europe. Communist satellite countries like Czechoslovakia and Hungary will also want freedom, he said, adding that the joy of the Austrians over their freedom will be "contagious."

Dulles said that the acceptance of West Germany into the North Atlantic Treaty Organization has dealt the Soviet Union its "greatest diplomatic defeat" since World War II. The explanation of Russia's changed behavior, he said, may lie in a Kremlin decision to stop trying to block such developments and "conform to some of the rules and practices of a civilized world community."

Policy Pays Off
But whatever the explanation from Russia's side, he said, the important point is that a "policy of strength and firmness and the standard of moral principle" is beginning to pay off for the West. If the West sticks to that policy,

he said, "we can face the future with confidence."

He cautioned both against relaxation of armed strength and against the great danger, as he called it, of expecting too much from the prospective Big Four talks between Eisenhower and the Prime Ministers of Russia, Britain and France.

Excessive hope now, he said, might result in disillusionment, dismay and even a war psychology later on.

Eisenhower, who interrupted Dulles' report to the nation from time to time with comments of his own, broke in to say he thought "the American people are pretty well aware of what is going on" and that they show "greater maturity" about negotiating with Russia than was expectable several years ago.

Chairman George (D-Ga.) of the Senate Foreign Relations Committee later said he thought Dulles was "overcautious" and showed signs of "timidity about the Big Four meeting."

"We will stay strong and we will stay vigilant," Eisenhower said, "but we are not to extinguish the hope that a new dawn may be coming even if the sun rises very, very slowly."

The broadcast was the first television program from the President's oval office Eisenhower sat behind his desk. Dulles sat on his right. On his left was a group of high government officials.

Aides said Dulles and the President wore no makeup.

The occasion was Dulles' return

from Paris and Vienna. In a historic 10-day period he had participated in bringing West Germany into the North Atlantic Alliance, in signing an Austrian treaty, in working out a better understanding with France on support of an independent government in Viet Nam and in receiving from Soviet Foreign Minister V. M. Molotov Russia's acceptance of a bid from the Western Powers for a top-level Big Four meeting.

Longstreth Wins Four-Sided GOP Mayoralty Nomination In Philly; Will Face Dilworth

By WILLIAM G. LOFTUS

PHILADELPHIA (AP)—W. Thacher Longstreth, a 34-year-old advertising executive, won the four-sided Republican mayoralty nomination battle in Philadelphia yesterday in Pennsylvania's relatively quiet primary election.

The 6-foot-6, bespectacled former naval intelligence officer will run in November against veteran campaigner Richardson Dilworth, the Democratic nominee. This is Longstreth's first try for public office.

Dilworth, an unsuccessful gubernatorial candidate five years ago and former district attorney, had an easy time defeating William A. Paschall, wholesale meat dealer who ran with no visible means of political support. Democratic incumbent Joseph S. Clark Jr., a potential senatorial candidate next year, declined to run again.

Longstreth scored an 8-5 victory over his nearest opponent George P. Williams, 3d, former state deputy attorney general. Magistrate James J. Clothier and Oscar H. Newman trailed in that order.

Small Primary Vote

The lack of a race of statewide interest kept the primary vote down to an estimated 35 to 40 per cent of the 2,745,322 Republicans and 2,110,643 Democrats eligible to vote.

Complete unofficial returns gave Longstreth 81,495; Williams 53,726; Clothier 44,177 and Newman 6,681. Dilworth received 83,677 and Paschall 7,315.

The voting was the first step in the buildup for the 1956 presidential campaign.

A demonstration of the best known methods of hair and scalp treatments to be given to the citizens of our city.

HAIR AND SCALP AUTHORITY HERE TO TELL TRUTH ABOUT BALDNESS

A personal demonstration will be held from 12 noon until 9:00 p.m. on Friday only, May 20, 1955 in the Hotel Gettysburg in Gettysburg, Pa., by the Merrill Hair and Scalp Consultants of Wichita Falls, Texas.

The Merrill Consultant is being sent here for the express purpose of explaining to the people of our city the facts and the truth about hair and scalp disorders. He will explain the 18 common scalp disorders that cause most men and women to lose their hair. He will demonstrate the proper methods of hair and scalp hygiene that have been proven successful for thousands of Americans from coast to coast. The Merrill Hair and Scalp Consultants will give you, FREE, a complete hair and scalp examination and tell you why you are losing your hair, or why you are having trouble with your scalp.

Hopeless Cases Are Few

First, the Merrill Consultant is quick to tell the hopeless cases that they cannot be helped. Once a man is completely, shiny bald, nothing can be done. But the hopeless cases are few. Because, if the hair roots are still alive (evidenced by the presence of light, colorful fuzz), the Merrill Consultant can perform what sometimes seems to be wonders. In the private examination, these facts will come to light.

No Charge For Examination

The examination is very thorough and highly technical. It requires a full 20 to 30 minutes. And there is no charge for this examination. After the examination, you will be told the required length of treatment and how much it will cost. After starting the treatment, you will make regular reports to the Merrill Laboratory in Wichita Falls, Texas. An expert will check your progress regularly, and keep in touch with you throughout your course of treatment. As you will be shown at your interview, Merrill offers you a written guarantee of satisfaction.

The Merrill Consultant will occupy a suite of rooms in the Hotel Gettysburg in Gettysburg, Pa., on Friday, May 20, from 12 noon until 9:00 p.m. Ask at the desk for the Merrill Consultant and see what can be done for your troublesome hair and scalp condition.

NO APPOINTMENT NECESSARY

You need not have an appointment to take advantage of this clinic. All examinations are private and you will not be embarrassed or obligated in any way. Both men and women are welcome.

county candidates backed by former Republican Gov. John S. Fine were beaten by a group led by Fine's foe, former state Sen. T. Newell Wood. The defeat ended Fine's long years of leadership in the county.

Local Option Votes

In all the major parties nominated candidates for mayor in 28 third class cities as well as for 43 common pleas judgeships, 29 orphans court judgeships. In addition local option votes in 79 boroughs and townships in 38 counties decided the future ban or sale of liquor and beer.

In Allegheny County, John M. Walker, former state senator and minority party county commissioner, won the GOP nomination along with county treasurer John Kane over candidates backed by former clerk of county courts Leonard Parsons, an ally of Fine.

On the Democratic side former U. S. Atty. for western Pennsylvania Edward C. Boyle was unopposed to meet Malone. Unopposed for the Democratic commissioner posts were Harry Fowler and John M. Kane, no relation to his GOP opponent.

Battle In Luzerne

Democrats as well as Republicans in Luzerne county battled it out. Dr. John Dorris, county chairman, entered a full slate of candidates which held a 4-3 vote edge over a slate backed by State Sen. Patrick J. Toole, three-fourths of the way through the ballot counting. The party's mayoralty choice, to oppose Republican incumbent Luther Kniffen who was renominated, was undecided at early morning between Raymond Whalen and Joseph L. O'Donnell.

Two mild surprises occurred in the Lackawanna county balloting. The first saw Democratic county commissioner William F. Geiger defeated by a whopping 18,000 vote margin by former postmaster Joseph F. Conrad of Scranton for one of the party's commissioner nominations. Geiger was denied a sixth term by the organization headed by commissioner Michael F. Lawler who was renominated for a try for a sixth term.

Second Surprise

The second surprise popped up in the Republican commissioner balloting where state Rep. Henry C. Spencer, running without organization support, edged Willard (Beano) Beynon for one of the party's posts along with Charles F. Harte, local sports figure. Spencer, a resident of the rural area, showed surprising vote - getting power in Scranton.

A coalition of Democratic municipal leaders in Delaware County all but ended the party rule of Albert Crawford and John Sheehan with a clean sweep of the party's nominations in a medium-sized turnout. Republicans had no county wide contests. The Democrats are aiming at the capture of the Chester city government this year from Republican leader John McClure.

Former Dist. Atty. Frederick B. Smilie won over incumbent Orphans Court Judge Albert L. Taxis Jr. in a Montgomery County Republican fight. Taxis, nominated by Fine, ran on both tickets but was denied GOP organization support. Smilie held a 2,000-vote lead with two-fifths of the vote tabulated. Taxis won the Democratic nomination.

The bid of Prothonotary Samuel Wilson to crack the GOP backed

commissioner slate in Montgomery County fell short. Democratic-backed candidates apparently won their contests against independents, including incumbent Raymond K. Mensch, denied party support.

With one or two exceptions the west and dry forces—especially the liquor—seemed to be maintaining the status quo as a result of yesterday's balloting on the sale of liquor and beer.

In Erie County, two significant developments took place. First, Dist. Atty. Damian McLaughlin, a Republican, who claimed he cracked a gambling ring, failed in a bid for nomination on either Republican or Democratic tickets to the common pleas court. Judges Burton Laub and Samuel Rossiter

Bane Appears Winner

State Sen. Eustace H. Bane was winning his fight for the Democratic nomination for judge of the Fayette County Court of Common Pleas over former congressman and state Sen. Anthony Cavalcante.

The second interesting Erie development saw Democratic incumbent Mayor Arthur Gardner defeat two other candidates for his party's nomination while Herbert T. Foster won the GOP nod. The Democrats were rocked when Mayor Thomas W. Flatley was sent to jail for

connection with the gambling scandal which McLaughlin prosecuted. Republican Brighton C. Diefenderfer, incumbent, won renomination over four Allentown opponents and will meet former Mayor Donald C. Hock, Democrat, in November.

State Rep. Norman Ziegler, running with the support of state Sen. M. Harvey Taylor won the Republican nomination for the Harrisburg mayor's chair. Mayor Claude Robbins did not seek re-election. The Democrats, talking seriously of winning in Harrisburg for the first time in almost a century, nominated Postmaster Leo C. Werner, who was unopposed.

Two Squeak In

Two Republican mayoralty nom-

inees literally squeaked by. In DuBois, William H. Shaw was nominated over R. A. Marsh by 17 votes. In Sharon, 79 votes was the margin of victory for incumbent Myron Jones over Gordon Ward. In Bucks County Republican organization candidates turned back independent opposition as did Democratic-backed candidates. In a unique judgeship race, John Eckelberry, another Fine judgeship appointee, led the GOP ticket in winning nomination for a full term to the Common Pleas Court. He will be opposed in November by I. Louis Rubin, a lifelong Republican, backed by the Democrats.

The so-called love birds are small parrots.

6 COMMUNITIES SWITCH LIQUOR SALES' RIGHTS

HARRISBURG (P)—Voters in six Pennsylvania municipalities switched retail liquor and beer sales privileges in their areas yesterday—with four communities going "wet."

Two others decided to end liquor and beer sales as vote counts in 26 of the total 79 boroughs and townships voting in local option referenda ended.

Going "dry" were Adams Twp., Snyder County, and Jackson Twp., Susquehanna County. Both at present permit both liquor and beer sales.

Another Snyder County township, also named Jackson, and previously dry, turned in a tie vote, 96-96, on the question of whether to permit retail sales of beer. If the vote stands unchanged the present status will continue.

Confined largely to rural areas, the local option returns saw the largest community voting—Forty Fort, in Luzerne County—lead the swing to the wets by voting to permit liquor sales.

Forty Fort up to now has permitted the retail sale of beer alone. Liquor licensees are permitted to sell beer also, but a number of communities voted on both questions—liquor and beer, individually.

West Cain Twp., Chester County, in this way approved both the sale of liquor and beer.

Voting for liquor also were Tionesta Twp., Forest County, and East Fairfield Twp., Crawford County.

The total of 79 boroughs and townships in 38 Pennsylvania counties is the smallest to cast ballots in local option referenda since 1945 when 62 voted.

Some 91 municipalities voted on the issue in 1953. And as high as 465 held local option contests back in 1939.

One municipality, Upper Allen Twp., Cumberland County, not only turned down retail liquor and beer sales but also a proposal to open state liquor stores there.

Drys Exceed Wets
The state Liquor Control Board reported that for the first time since repeal of prohibition in 1933 the number of municipalities now "dry" voting exceeded the number of "wet" voting.

This meant, the board said, that the "wets" circulated more petitions for local option elections than did the "drys."

Results in part by counties in local option referenda:
(Symbols show status before yesterday's vote. "W" means permitted sale of both liquor and beer; "DLB" prohibited both liquor and beer; "DL" prohibited liquor only, and "DB" prohibited beer only.)

Allegheny County — Avalon (DL) against liquor.

Centre — Patton Twp. (DL) against liquor.

Chester — West Brandywine Twp. (DL) against beer; West Cain Twp. (DLB) for liquor and beer.

Columbia — Fishing Creek Twp. (DLB) against liquor.

Crawford — Saegertown (DLB) against liquor; East Fairfield Twp. (DLB) for liquor; Bloomfield Twp. (DL) for beer.

Cumberland—Southampton Twp. (DLB) against beer; Upper Allen Twp. (DLB) against beer, liquor and state stores.

Delaware — Brookhaven (DLB) against liquor.

Forest — Tionesta Twp. (DLB) for liquor.

Lancaster — Conoy Twp. (W) for liquor and beer; Pen Twp. (W) for liquor and beer.

Luzerne — Forty Fort (DL) for liquor; Laffin (W) for beer.

WOMAN GUILTY OF REFUSING TO YIELD TO BLAZE

POUGHKEEPSIE, N.Y. (P)—A hot-tempered housewife has been found guilty of refusing to yield a country telephone party line when a volunteer fireman tried to report a fire.

Mrs. Mary L. Kayes, 43, of Rhinebeck, N.Y., could get a maximum of a year in jail, a \$500 fine or both under a new state statute covering use of party line telephones in an emergency.

Mrs. Kayes, mother of four, sobbed when the verdict was announced in Dutchess County Court last night.

"Let me alone, don't bother me," she shouted at newsmen.

Judge John R. Schwartz set May 24 for sentencing and continued Mrs. Kayes in \$500 bail.

(DLB) against liquor and beer; Eaton Twp. (DLB) against liquor and beer.

York — Dillsburg (DLB) against liquor and beer.

According to testimony in the two-day trial, Mrs. Kayes said, "Let the damn thing burn and get off the line," when fire dispatcher Donald Townsend asked her to give up the line to report a brush fire last Jan. 21. Townsend and Mrs. Kayes share the line with five other users.

Townsend testified he had to drive nearly a mile to another telephone to make the call.

A fire official told the court the fire got out of control because of the delay and destroyed a nearby barn.

Mrs. Kayes claimed she didn't believe there really was a fire, because "you hear the damndest things on a party line."
